PLEASE NOTE:

YEAR 6 STUDENTS HAVE BEEN TOLD NOT TO BUY THEIR BUDDIES A CHRISTMAS GIFT, TO ENSURE FAIRNESS FOR ALL. EACH STUDENT WILL BE MAKING THEIR BUDDY A GIFT AT SCHOOL.

GRADUATION CEREMONY

As you will be aware, our celebration of the students and their primary school years, will take place at 9am on December 18th, in our usual assembly area at school. This celebration will include scholarship awards and graduation certificates. There will be seating for families to attend.

In the event of inclement weather, the Year 6 students, Prep buddies and families will be invited up to the church. Should this happen, parents are invited to take their children from other classes up to the church, to join in on our farewell. We hope you can join us for morning tea, in the staff room, afterwards.

ST VINCENT de PAUL HAMPERS

Our casual clothes day for Vinnies raised \$770. The Year 6 students have been allocated families and are now in the process of planning a Christmas meal for these families, according to the budget they have received. Next week, each class will go shopping at Woolworths to buy food for their hampers. Please look out for a Caremonkey note.

SCHOOL CONCERT

Our school concert is this Tuesday evening at Ocean Grove Park. All students are expected to sit with their class, for the duration of the concert. Our students will be performing Let's Get Loud from Music Night, so will need to wear black pants and top.

BLUE LIGHT DISCO

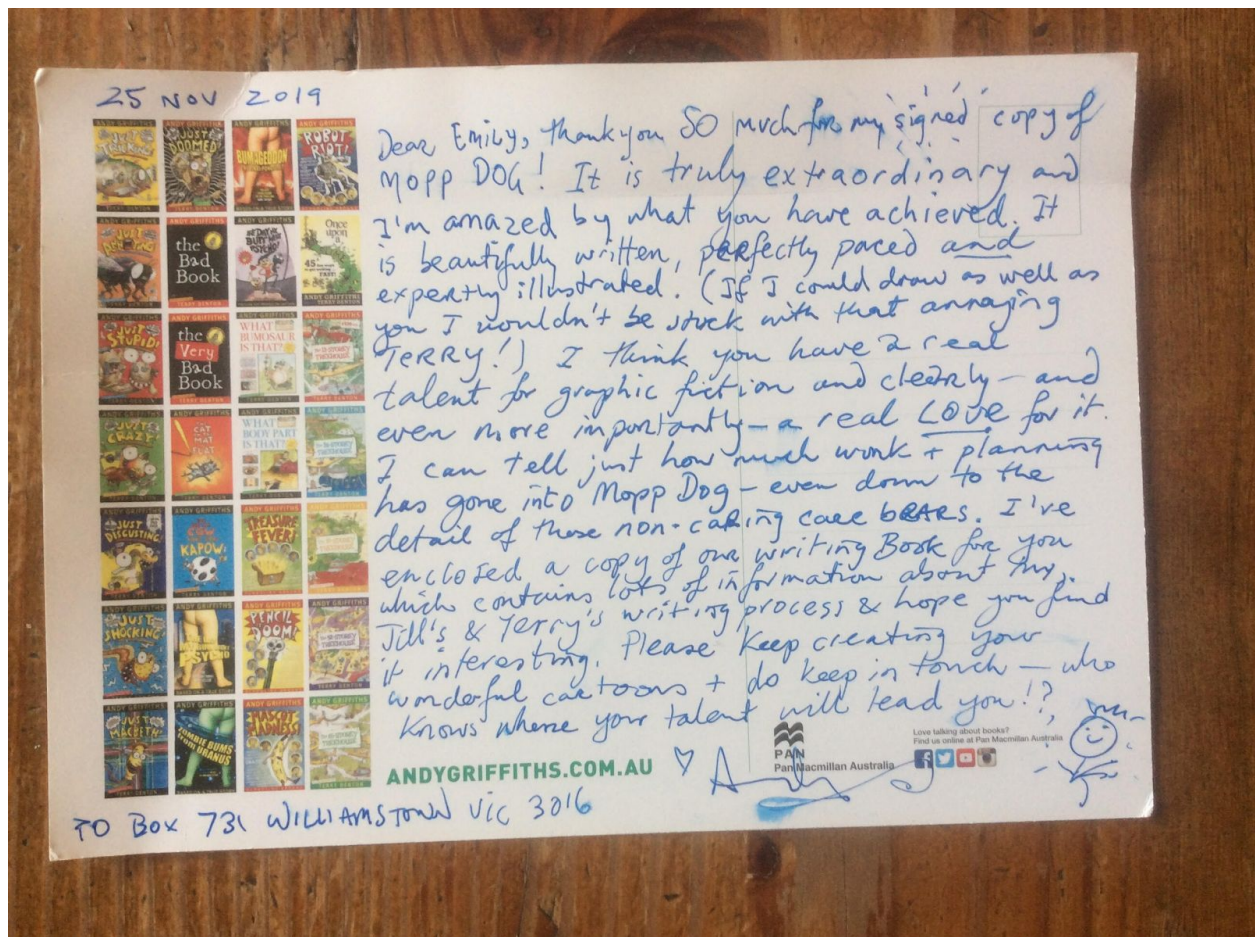

There was fun had by all at last week's Blue Light Disco, attended by many Year 6 students from across Geelong. It is always a great way to celebrate the end of primary school and to recognise the strong relationship our police have with community. Congratulations to Isaac Naus who won wireless headphones on the day for great participation and leadership.

CONGRATULATIONS

Emily Soppit is a budding author and illustrator and created the most magnificent comic book titled Mopp Dog. She recently sent a copy to renowned author Andy Griffith. We were all delighted when Emily received a reply from Andy, commending her on her work. Congratulations Emily on pursuing your passion and following through in such a proactive way.

MORE PASSION

During her Rotary Junior Leadership Award, Molly Graham shared with us her passion for being proactive about climate change.

THE ENVIRONMENT

On the 15th of March I attended a climate strike with fellow students from different schools in the Geelong region. Climate change is a big problem on our planet. I'm very passionate about telling other people about the effects that climate change is having on us and what we can do to help. Attending this special occasion made me realise that there are other kids out there that are passionate about the planet as well. By attending this strike we are trying to spread the message about climate change, especially to the government. We all took time of school to attend. I find it upsetting that we have to even be at the March in the first place because climate change is the fault of humans, and if we treated this earth properly we wouldn't have to be striking. About climate change! I also read out a speech at the March.
