

YELLOW HUB NEWS

WEEK 11. TERM 4

THANK YOU

It is amazing to think that the end of primary school has arrived. We would like to congratulate all of our students for being such a tremendous cohort. Over the last seven years many friendships have been made and wonderful experiences have been enjoyed. I am sure you remember your child's first day of school and hope you will all reflect happily on the progress in their learning, the shared family experiences at school, excursions, camps, concerts and sacraments. Thank you for every way in which you have assisted over the last seven years. We wish each student a bright and happy future and thank you parents for your tremendous contribution to your child and our school. For those families who are leaving Star of the Sea, thank you for your participation we wish you all the very best. Farewell also to Ms Tammi who will be traveling around Australia with her family next year.

GRADUATION

Our graduation celebration will take place on the netball court at 9am on Wednesday morning. The ceremony will include:

- ★ Official proceedings
- ★ Presentation of Certificates to graduating students
- ★ Scholarships
- ★ A farewell from Prep buddies
- ★ A visit from some 2013 Prep Buddies
- ★ Morning tea in the staff room, provided by Prep families.

ST VINCENT de PAUL HAMPERS

We had a great time shopping last week to provide hampers for families. This required budgeting, researching, comparing weight and price and working together. The students really enjoyed this experience and it was even more rewarding, knowing it was for a good cause. Christmas spirit in action!

YEAR BOOK 2019

All students will receive a Year Book compiled by the Media Leaders with Mr G. Front cover designed by Claudia Soppitt. This is a fantastic keepsake of each student, full of pictures from over the years. This also contains a Music Night video. Thank you Mr G for coordinating this, we hope you all love it!

Seesaw Learning Journal:

Please be advised that you can download your child's Seesaw Learning Journal at the end of the year. This will enable you to save their journal including all posts, photos and videos from throughout the year.

Please follow these instructions to complete the download - [Click here](#)

A reminder that Year 6 have made gifts and cards for their Prep buddies, so no further gifts are needed.

Wishing you all a very merry Christmas with loved ones and special times. May 2020 be a great year for you all.

Selamat hari natal.
