Kitchen/Garden Program

Today we are baking lemon meringue cupcakes. We had to mix a lot of ingredients together to bake the cupcakes first. We had to make special lemon sauce (lemon curd) by cracking the eggs from our chickens and then separate them into yolks and whites. Then the next class will use the egg whites to make meringue. I love when we get to do cooking because it's a lot of fun and it helps us to interact with our chickens. I like getting to learn new things and cook with our friends. *Eden 5CT*
