Week 9

Another term bites the dust...only one to go!

Prep Grandparents Week

One of our favourite weeks of the year! It's so special to see the Preps shine in this way and celebrate this very special relationship.

We also loved the sharing of special treasures brought along...

Thank you so much to all of our Grandparents...you're the best!

Well done on your fabulous
Assembly Prep J! 🙌

Next up is Prep R in Week 3 of next
term.

A big thank you to the families that
raised money...such a great cause
and our Prep skipping has
improved heaps!

Week 9	Catch up...no topic this week
Week 1 Term 4	Holiday happenings!

Swimming

Everything is going along 'swimmingly'

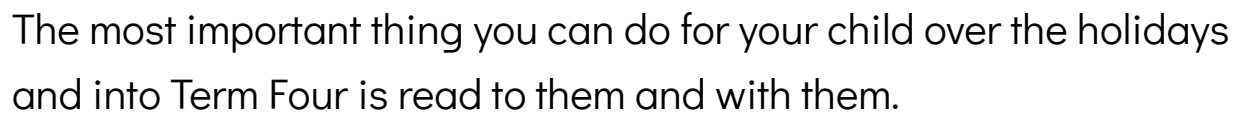

😋 thanks to your great support and volunteering.

Preps need old clothes to wear in the pool on Wednesday and then they don't swim Thursday due to Specialist Day.

Prep G will have received a Seesaw

post about pool pick up on Friday due to school finishing at 2:30pm.

Read to them and have them read to you at every opportunity. Now is the time to really get them reading and practice will make all the difference!

Why is reading at home so important?

Children with access to 25 books at home complete an average of 2 more years of school than children from homes without any books.

Reading is a critical skill for succeeding in most school subjects.

A child spends 900 hours a year in school and 7800 hours at home.

Research shows that just 20 minutes a day spent reading with a child helps them develop critical reading skills.

Kids 4-5 years old gain 6 months of reading ability by being read to 3 to 5 times per week.
