Home Learning

Thank you to all families for your support with Lock Down 5.0 and Home Learning. We appreciate the communication and feedback you have given and very much look forward to resuming 'normal' school with lots to look forward to!

Year 6 Camp

Our Year 6 Camp to Lady Northcote in Bacchus Marsh at the very beginning of this term was a huge success! The students took part in a huge range of experiences which we are sure you heard about, and pushed themselves outside of their comfort zones. We were so blessed with wonderful weather for the time away. A massive thank you to Megan James and Matt Gibbon for volunteering their time to come along and get involved so enthusiastically with everything. A special mention to Jane Coyne who also came and helped to ensure our Year 6 camp was awesome. Just a few of the many hundreds of photos collected are attached and some notes from the kids;

Josh Geracitano says;

For this years camp we went to camp Lady Northcote and there were plenty of fun activities to do. There was canoeing, orienteering, bush cooking, mountain biking, hut building and the giant swing. The giant swing was probably my favourite activity out of all of them because you go to 15 meters up in the air and just swing down. I also really liked canoeing because I was in a boat with my friend and we got to play tag and stuff like that in the boat. Overall Lady Northcote is a great place to stay they have great cabins and food so I would strongly recommend going there.

Isabelle Hachem says;

Going to Lady Northcote was a wonderful experience! We did lots of fun activities like canoeing and going on those giant swings. Overall it was really enjoyable, the food was great, the rooms were great and the activities were awesome!

Tree Planting Day

At this stage, our Tree Planting Day activities are scheduled to take place on Wednesday 28 July. If Year 6 students could bring a pair of gardening gloves that would be great. They will be participating in activities with their Prep Buddies to celebrate the day.

Wonder of Living Evening

Parents and students are invited to attend our Wonder of Living Evening on Monday 16 August at 6:30pm. This will allow some opportunities for you and your child to learn about and discuss human development, prompted by an educational video and facilitator. More information to follow.

Respect Cup

A small number of students have been invited to attend the 2021 Barwon Respect (Primary) Netball Cup on Thursday 5 August. This is a significant part of our work as a Lead School in Respectful Relationships and engages young people through combining interactive workshops with a mixed netball competition. Please keep an eye out for permission through Operoo in relation to this day.

Book Week

Book Week is Week 7 of this term. We will celebrate with a school dress up day and activities on Friday, 27th August. This year's theme is: Old Worlds, New Worlds, Other Worlds. Students can dress to match the theme or come as a popular book character.

Sport News

A huge congratulations to Noah Brooks who has progressed to the next stage of the Victorian Cricket Trials! We are very proud of the wonderful commitment and skill Noah has shown to get to this stage and wish him the very best of luck for the next stage.

Raincoats at School

There is a lot of research about identifying how important a strong connection to nature is for our children, their wellbeing and development. So to foster this, we ask that this term, each child has a raincoat (not puffer jacket) that they can leave at school. They don't have to be pretty or of great quality and just need to protect their clothes from getting wet.

Have a great week!
