Camp

Oh wow! What a blast we had on our first ever overnight camp experience at Camp Wilkin!!! You couldn't wipe the smiles off the children's faces. How wonderful it was to be outdoors enjoying nature and having a wonderful adventure together! If you haven't had a chance to view our photos click the link below...

RAINCOATS FOR SCHOOL

There is a lot of research about identifying how important a strong

connection to nature is for our children, their wellbeing and development. So to foster this, we ask that by next term, each child has a raincoat (not puffer jacket) that they can leave at school. They don't have to be pretty or of great quality and just need to protect their clothes from getting wet.

LittleScribe Mini Writing Festival:

This week and next, we will be able to connect with Australia's leading children's authors through a curriculum-aligned writing program. Students will engage in lessons presented through zoom, or recordings of such, to inspire them to build on their literacy skills and help them thrive. This program has been a great success in the past year so we are thrilled to offer it to our Year 3 students.

Inquiry

This Term our Inquiry is titled "Universe of Possibilities." Unfortunately, due to Covid we need to postpone our excursion to Scienceworks this week. We may be able to rebook for Term 4 or consider a new destination for next Term. In this unit we will begin with students exploring the changes that happen due to the Earth's rotation on its axis. Feel free to stargaze at night!!! The app Skyview Lite can be downloaded onto your phone for a fun experience!!!

Book Week

Book Week is Week 7 of this term.

We will celebrate with a school dress up day and activities on Friday, 27th August. This year's theme is: Old Worlds, New Worlds, Other Worlds. Students can dress to match the theme or come as a popular book character.

Have a wonderful week!!!!
